A. Fairly strong, I guess.

Q. Do you have a college degree in engineering?

A. No.

Q. Are you a professional engineer?

A. No, I'm not.

Q. Other than Theology, do you have any other degree?

A. English.

Q. Okay.

A. Bachelor's Degree in English.

Q. Okay. Before becoming the -- subcontracting, did you do any other work in engineering?

A. I've done some building work, I've done drafting.

Q. Okay.

A. I've got a daughter who's an architect and I've worked with her quite a bit.

Q. When was that?

A. During -- for the last fifteen years or so.

Q. Okay. And what do you do for her?

A. We've done drafting together and drawing plans and things like that. She has a heavy
